Our Careful Cleaning MAKES CLOTHES LAST LONGER

To make clothes last, they must be cleaned right! Daly City Cleaners get to the root of every fibre and loosen the most stubborn particles of dirt and stain. This raises the nap of the fabric to make it soft and like new again. Colors are re-freshened. Only crystal clear cleaning fluid is used, which means no possible odor remains. Garments are carefully pressed and returned looking good as new!

Boil it all down, put it in a nutshell, say it in a couple of words . . . **MEN and MONEY** will win the war!

Men to fight—and Money to arm, equip, train, house, feed and move them.

Men by the millions to shoot and win—and Money by the billions—the hundreds of thousands of millions—to make their guns, buy their uniforms, build their ships, pack their food, construct their camps, pay their salaries, fit out their planes, turn out their bullets and bombs and bayonets! Money—billions of dollars NOW to transform five, eight, twelve million clear-eyed Americans—

. . . into the mightiest, the most devastating and irresistible fighting machine the world has ever known.

Men—and Money—will crush our treacherous foes and win the war.

You—with every other loyal American—must do your part to keep our Army and Navy on the march, to keep every possible factory, farm and ship-yard working at top speed. You—with every other loyal American—

SAFEGWAY Homemakers' Guide

* How to do house work and defense work, too * Guaranteed fresh produce
* Super-substitutes and how to use them * An easy way to find time to play

How to be a good Volunteer Worker and a good wife, too

Cut out these three quick but nutritious meal suggestions and paste them in your book. They were planned by the Safeway Homemakers' Bureau especially for those days when your Defense work makes preparing regular dinners impossible.

READY IN 20 MINUTES

Pan-broiled Cubed Steaks smothered with sliced onions
Heated Shoestring Potatoes
Sliced Tomato and Lettuce Salad with French Dressing
Enriched Bread Butter
Quick Chocolate Pudding with Pour Cream
Fig Bars
Coffee, Tea, or Milk

SPEEDY OVEN DINNER

Individual Meat Loaves (Bake in custard cups or muffin tins; moderate oven (350° F.) for 30 minutes)
Scalloped Noodles (prepare ahead, ready to bake)
Quartered Carrots, Oven-cooked (bake, covered, in small amount water)
Cabbage Slaw
Heated Bakery Rolls Butter
Fresh or Canned Fruit Whip with Custard Sauce
Coffee, Tea, or Milk

BROILER PLATE

Broiled Bacon-wrapped Lamb Patties
Cauliflower with Melted Cheese (Pre-cook whole cauliflower; sprinkle with grated cheese; brown under broiler)
Broiled Tomato Halves
Tossed Lettuce, Cucumber, Celery, Radish, and Green Pepper Salad, with French Dressing
Buttered Whole Wheat Toast
Vanilla Ice Cream
with Crushed Strawberries
Coffee, Tea, or Milk

TWENTY-MINUTE DINNER

Here's a standby one-dish meal. Heat frankfurters and sauerkraut together until bubbling. Mix prepared biscuit flour as for drop biscuits; drop from spoon into boiling kraut; cover, and boil 12 minutes without peeking. And you have dumplings with frankfurters and sauerkraut.

Three Suggestions that might also be helpful in keeping your husband as well as your Volunteer Office happy are these:

1. Plan all your menus and your shopping in advance. Keep a large stock of canned goods always on hand to fill in the gaps.
2. Set the table and make everything ready for the kitchen before you leave for your Defense duties.
3. Prepare such things as meat loaves, macaroni entrees and desserts before you leave.

About Defense-Canning

Read how to tie your canning budget in with nutrition and defense in this week's Family Circle Magazine. There's a new issue out every Thursday—and it's free at your neighborhood Safeway store.

BUY ★ ★
WAR SAVINGS BONDS

Just, to win the war, buy War Savings Stamps and Bonds NOW. You should buy them every pay-day. Uncle Sam needs your money to win this war. And what your money will do! 25 cents will buy a bandage—how they needed them on Bataan! All buy a Navy raincoat to keep a sailor boy snug on his lonely watch. Only ten cents will buy a caliber cartridges—five of America's enemies of action for the price of a good cigar! \$3.50 buys a 37 mm anti-tank gun—and that may mean a tank for Hitler. \$5.00 will buy a steel helmet that save a soldier's life. \$18.75, which is what for a Bond worth \$25.00 at maturity, will buy a field telephone or a high-altitude flying jacket of 'em—\$37.50—will buy a marine barometer to safeguard our fleet! Make America safe, invest in United States Savings Bonds and Bonds with every pay check. To keep it free, save at least ten per cent of your income in Savings Bonds and Bonds.

HE LOST HIS PANTS

Too young to "lose his pants" at the races, Master Peter Cooper donates his waterproof wardrobe to the current rubber drive—but gladly. He's following the lead of the grown-ups who are turning in everything with a stretch in it—to help snap back at the axis.

LAST ROUND-UP

Only a few days to go, Mr. and Mrs. Daly City, in rounding up scrap rubber. It's not too late to canvass attic, garage, basement and closets for this precious material. Anything from bath mats to rubber shoes, from old garden hose to drain plugs, collected and delivered to your nearest gas filling station, will fill the bill.

From the Army's midjet scout car, using 339 pounds of rubber, to the Navy's giant dreadnaughts, requiring 75 tons of it, our fighting forces must have first call on our lean supplies of this strategic war necessity.

As President Roosevelt has said, "One thing you can be sure of—we are going to see to it that there is enough rubber to build the planes to bomb Tokyo and Berlin—enough rubber to build the tanks to crush the enemy wherever we may find him—enough rubber to win this war."

Whether gasoline rationing becomes necessary to slacken the pace at which we're burning up rubber on the highways is a question you're going to help decide. The deadline on the rubber salvage campaign is fast approaching. It's time to make that last round-up for the Stars and Stripes.
